RESPONSE TO NOTICE TO FILE MISSING
PARTS OF NON-PROVISIONAL APPLICATION

Sir:

This is in response to the NOTICE TO FILE MISSING PARTS OF NON-PROVISIONAL APPLICATION (copy enclosed) mailed September 28, 2004. The Notice indicated, among other things, that the "oath or declaration is missing." However, Applicant submitted a copy of a Combined Declaration and Power of Attorney with the original application papers on February 23, 2004. A copy of the postcard acknowledging

receipt of that paper is enclosed. Also enclosed is the original of that Declaration for the convenience of the U.S. Patent and Trademark Office. In view of the foregoing, the application was not missing any papers and the Notice should never have been issued.

The Notice also indicated that the application was informal because the original drawings were informal. In response, enclosed please also find nine (9) sheets of replacement drawings. Although Figs. 7A-7C and 8A-8C were indicated as being too dark, these figures are reproductions of actual solid black test images formed of black ink, for example. Making these figures less dark would not result in an accurate portrayal of the intended images.

Because the Notice to File Missing Parts was not properly issued, the late filing declaration surcharge is not believed to be necessary. Nevertheless, any fees deemed necessitated by this paper may be charged to Deposit Account No. 06-1205.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
